Civil Defense

Definition

“A range of emergency measures to be taken by an organized body of civilian volunteers for the protection of life and property in the event of natural disaster or enemy attack.”

*In a dangerous situation, we have chosen
the most dangerous of courses.*

We have chosen not to face our danger.

Civil Defense

A Wave of the Future

The American Civil Defense Association
(TACDA) invites you to join us in our efforts to
bring Civil Defense into the 21st Century.

The logo for the American Civil Defense Association (TACDA) is a circular emblem. It features a red outer ring with the text "AMERICAN CIVIL DEFENSE ASSOCIATION" in white, uppercase letters. Inside the ring is a blue triangle pointing upwards, containing a white shield with a blue border. The shield has a white vertical bar in the center. The word "TACDA" is written in white, uppercase letters across the bottom of the shield.
